Animated Face Mask Series

New New New New

Add personality to your beauty routine by applying these printed sheet masks containing super ingredients. Each will target a different skin type or concern!

Improved formula

Full of detoxing and purifying properties, the natural herb oils transform the skin leaving it soft, toned and healthy looking.

Beetroot extract's amazing properties protect the skin from signs of aging and helps even skin tone.

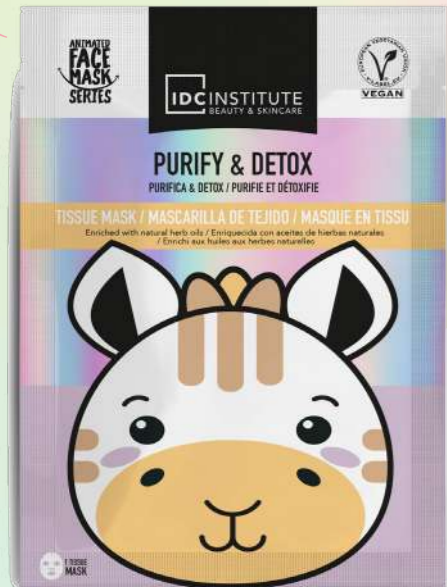

Coconut oil contains properties that intensely nourish the skin, leaving it feeling plumped and moisturised.

Packed with hydrating properties, avocado oil soothes and improves skin elasticity, preventing dryness and breakouts.

Unique and very satisfying to watch, this bubble mask foams over and removes impurities leaving the skin feeling clean and brightened.

With a clean and dry face, starting at the chin and pulling upwards, secure the mask around the ears. Formulated with actives to sculpt and lift your chin's appearance.

A soothing and illuminating eye sheet mask that reduces the appearance of puffy eyes, dark undereye circles and rejuvenates the full orbital eye area.

Vegan Collection

All the products in our Vegan Collection are certified by the European Vegetarian Union

Coconut oil properties tone and brighten the complexion for a natural skin nourishment feel.

Avocado contains nourishing and hydrating properties that improve skin elasticity and delay skin aging.

Full of detoxing and soothing properties, the natural herb oils controls blemishes and rebalances the complexion.

Rose oil contains calming and hydrating properties that make the skin feel plumped and soothed.

Feel the vegan power with these fruit and vegetable facial sheet masks.

Peaches treat dryness by helping the skin retain moisture and therefore improving skin texture. They are a great source of Vitamin C.

Eggplants contains antioxidants which are important for slowing down skin ageing. They also help clear your system from impurities.

Carrots are packed with Vitamin A which helps flush out excessive oil and keeps the skin fresh and free of toxins.

Beetroots are high in Vitamin C, which can protect the skin from signs of aging, such as wrinkles. They also help reduce blemishes and skin pigmentation.
